

Admission Rules

- Admission is purely on the basis of merit and on qualifying according to the standards laid down by the school.
- Registration is compulsory prior to Admission, which is open to all irrespective of sect but subject to regulations.
- Admission will be according to the test results, interview and availability of seats.
- The test scores and question/answer papers will not be shared with the student/Parents/Guardian.
- The school management reserves the right to accept or reject admission without assigning any reason.
- It is the responsibility of the parents to collect all information about the test and fees structure of the school prior to the registration.
- The school administration, however, reserves the right to revise the said fee schedule and all other charges as and when needed but without prior notice to the parents/guardian.
- The parents are obliged to observe decorum and decent behaviour while communicating with the school administration and any threats / use of violence by them may result in serious disciplinary action which could be termination of admission by the school administration.
- The misrepresentation of facts and figures at the time of admission or at a later stage can lead to termination of admission.
- The parents should be present at the time of test and interviews.
- It should be clearly understood that admission of a student after registration is not the right of a Parent or student but is the sole and absolute discretion of the school authorities and management.
- Name and date of birth as written in the previous school leaving certificate/birth certificate shall remain final and will not be changed afterwards unless it is changed through a legal process.
- It is mandatory to submit birth certificate on the prescribed form issued by the Register of the Municipal Corporation of the concerned place of birth for admission.
- The Parents are obliged to disclose to the school administration information about any disease or ailment suffered by the child at the time of admission. The submission of a Fitness certificate from a registered Medical Practitioner is also mandatory at the time of admission.
- The school management is entitled to terminate the admission of any child at its sole discretion. All the decisions by the management of the school shall be accepted by the Parents and Guardians without any objection and shall not be questioned in any manner whatsoever.
- The rules can be reviewed and revised as per the discretion of the school management.
